DAY:

Hello

I'm Nyassa Hinde, the illustrator, designer and maker behind Nyassa Hinde Illustration.

I design planet-friendly, illustrated goodies, for Maximalists who want to make a Minimal Impact.

As a creative, and artist, I love bright colours, bold patterns, and intricate details, and I wanted to fill my home with pieces that reflect that, and bring me joy. But I also feel that it is so important that what I buy doesn't compromise on the planet either.

So, I took my passion for sustainability, and my love for curating a life full of beautiful things

and I turned it into artwork! Now, my Shop is filled to the brim with carefully crafted stationery, paper goods and accessories, all designed to be as eco-friendly as possible.

I've been running my little business since 2017, when I was still studying at the University of Falmouth. Now I work from my teeny tiny studio (aka. The second bedroom) here in Cornwall, in my little home by the sea, with my dog Rufus as my studio assistant and chief snack-eater.

I hope you love these illustrated goodies as much as I loved designing them (which is a lot!) Your support for my little business means the world to me, and each order really is making my dream job a reality!

Lots of Love

Wholesale Terms

ORDERING + PAYMENT

If you've found a product (or products!) that you'd love to stock, you can place an order by emailing me at nyassa.hinde@gmail.com and I'll send you an invoice; once the invoice has been paid I'll process your order and post it out to you. Payment can be made securely via bank transfer or PayPal!

ORDER MINIMUMS

- £50 Minimum for initial orders
- £30 Minimum for re-orders

DELIVERY

All of the products you'll find in this catalogue are stored in my little home studio and all orders are processed and packed by me. As I'm currently a one woman band please allow 1-3 weeks for your order to be processed prior to shipment. At this time I am only able to offer my products to stockists in the UK, and all shipments will be made via Royal Mail.

ENVIRONMENTAL POLICY

Caring for our planet is extremely important to me and therefore each product is made with careful consideration on its environmental impact. My shop is also entirely plastic free which means all of my paper goods are packaged without any cellophane bags - as you flip through this catalogue, you'll find information about the alternative means of packaging that I've used. Because of this, I would love it if you could keep my products free from plastic and in their original packaging when you stock them. If it is absolutely necessary for you to use cellophane bags or wrap for your shop, please contact me so that I can organise a biodegradable option. You can also expect deliveries from me to arrive in cardboard, and free from bubble wrap!

ADJUSTMENTS + RETURNS

Adjustments can be made within 24 hours of submitting your order. I am able to accept returns for damaged or incorrect stock but I ask that if there are any problems with your order that you get in touch within 3 days of receiving it.

MORE INFORMATION

If I've missed anything out, you have a query, or you'd like to place an order, you can get in touch with me via email: nyassa.hinde@gmail.com
